CAREER OBJECTIVE

A **Telecommunications Engineering student** aspiring to work as a **Software Tester**, with a strong foundation in **manual and automated testing**. Possessing analytical and technical skills that aid in detecting software defects, enhancing quality assurance processes, and ensuring a seamless user experience. Passionate about problem-solving, test automation, and delivering high-quality software solutions. Looking forward to contributing to a dynamic team and growing in the field of **Software Quality Assurance (SQA)**, leveraging my engineering background in system analysis and development

EDUCATION

Bachelor's Degree in Telecommunications Engineering
Modern Academy for Engineering and Technology – Cairo, Egypt
Expected Graduation: 2027

COURSES&TRAINING

COURSES:

Software Testing Intensive Training – Information Technology Institute (ITI) (30 Hours)
Fundamentals of Software Testing, SDLC & STLC, Test Case Design, Bug Reporting, Test Management Tools (JIRA, TestLink), Automation Basics (Selenium, Postman), API Testing, Performance Testing

Software Testing Track – Digital Egypt Builders Initiative (DEBI) (Ongoing)
Advanced Testing Techniques, Test Automation, Performance Testing

Fundamentals of Telecommunications Engineering
Signal Processing, Network Protocols, Wireless Communication

ISTQB Foundation Level Preparation (Self-Study)
Software Testing Principles, Test Management, Test Design Techniques

EXTRACURRICULAR ACTIVITIES

Head of Graphic Design – Eventous (Student Activity) (2024 – Present)
Leading the graphic design team, creating marketing materials, and managing visual branding.

Instructor & Graphic Design Member – Minders (2023 – 2024)
Started as a workshop participant in 2023, then joined the new season as a graphic design team member in 2024. Later in 2024, became the instructor for the graphic design workshop, mentoring new participants and guiding them in design principles and tools.

SKILLS

Technical Skills:

- Adobe Photoshop.
- Adobe Illustrator.
- Microsoft Office Word.
- Microsoft Office PowerPoint.

Interpersonal Skills:

- Leadership.
- Teamwork.
- Presentation skills.
- Self-developing.
- Multitasking.
- Quality of tasks.
- Research skills.
